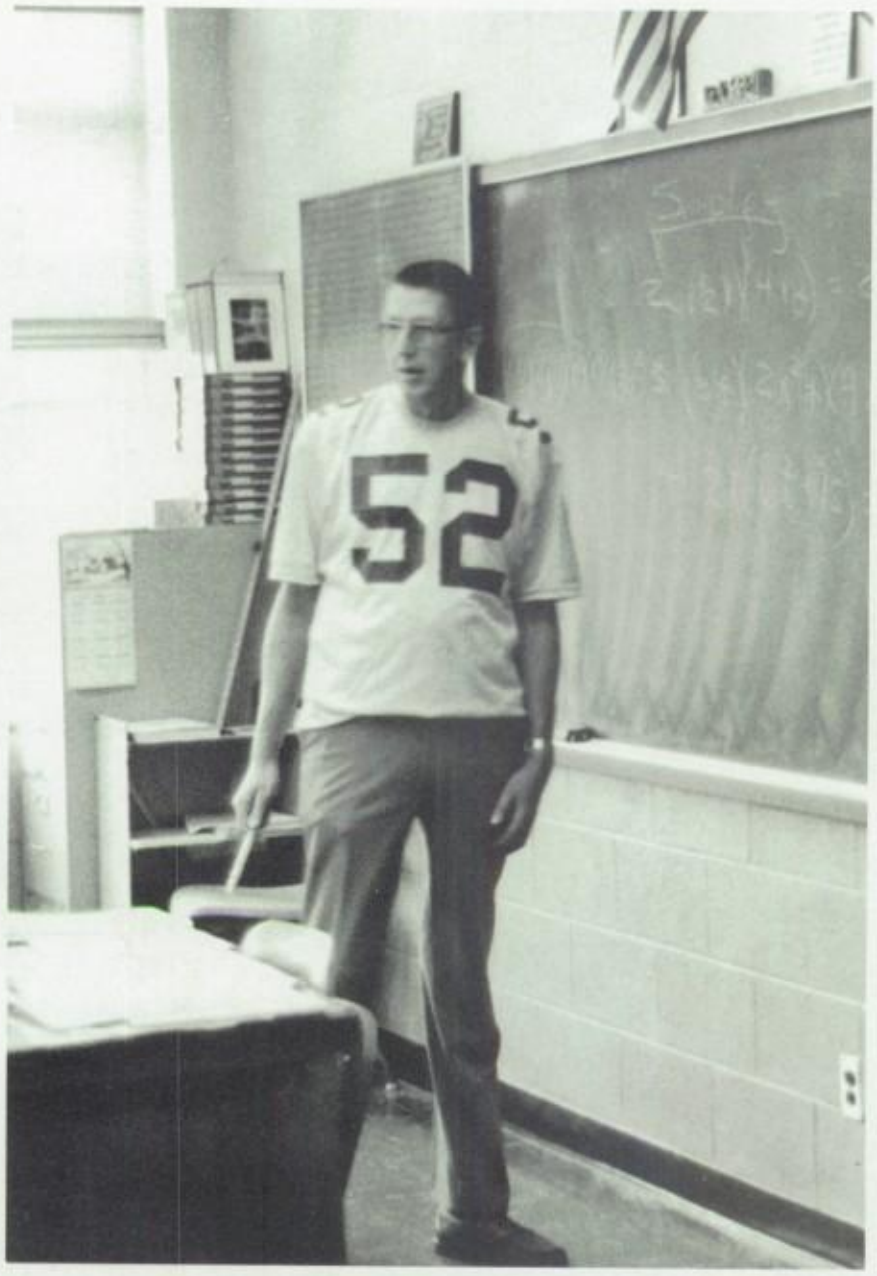
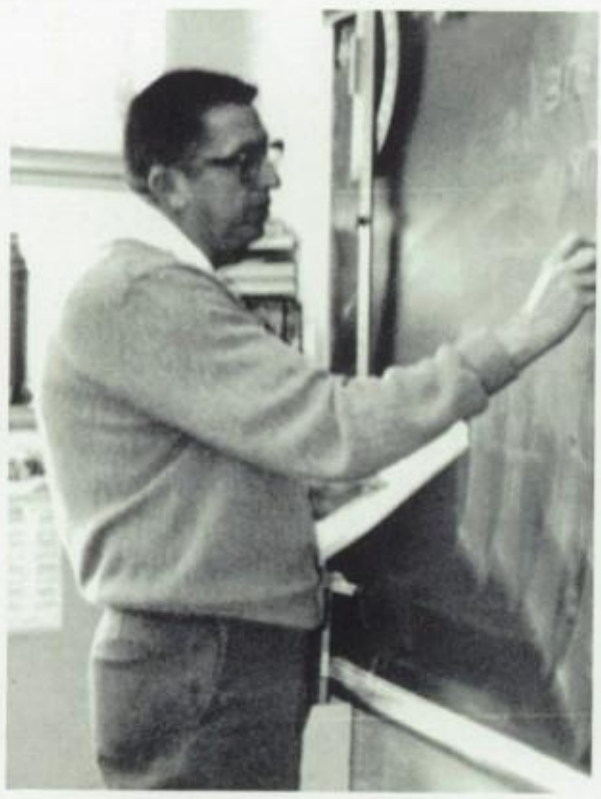
The Spotlight Is On You . . .





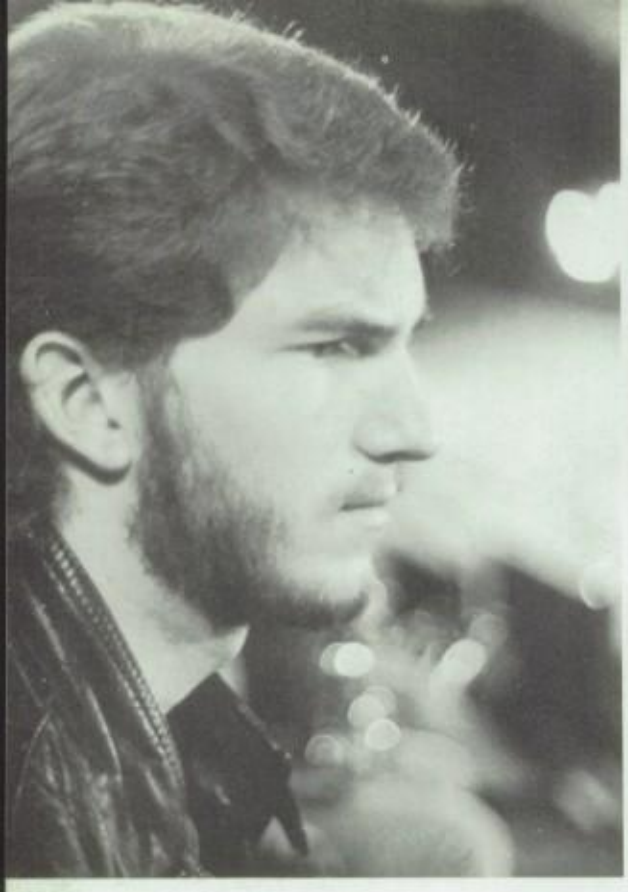
As another year draws to a close, we pause to reflect . . . who is that man that we like so much? What is he up to now?

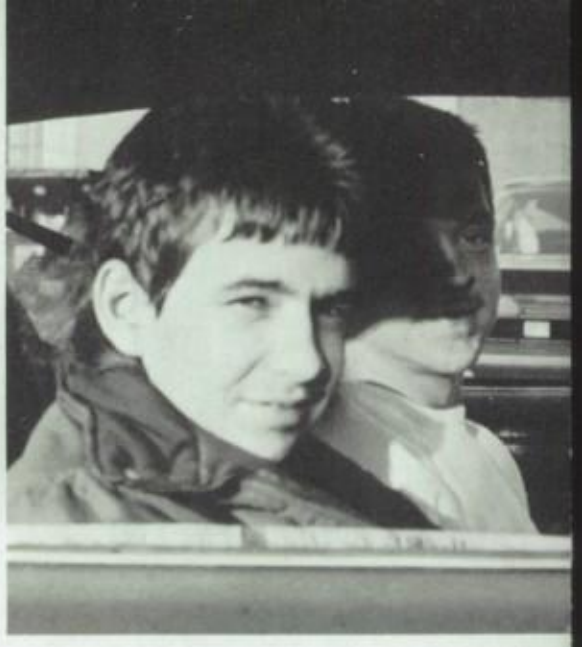
There are some people who make a lasting impression on all of us. We know a man like that who is our friend and defender. He always has our best interests at heart and can make us laugh, even when we feel sad. He has a pleasant word for everyone and can be heard in the halls many times during the year.

Thank you for being a nice person, a favorite teacher, and a friend to all. We respect and love you.

That is why the spotlight is on you . . .

Ronald D. Worrell

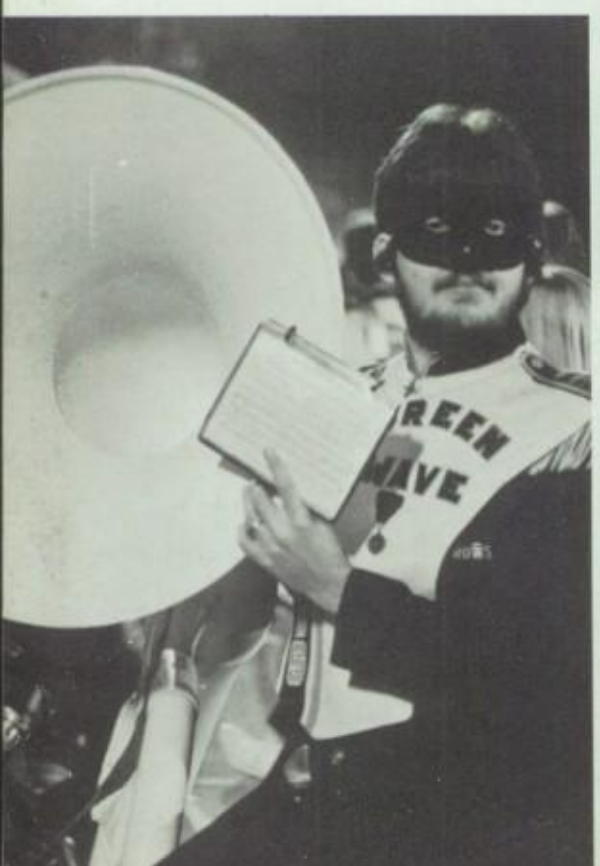


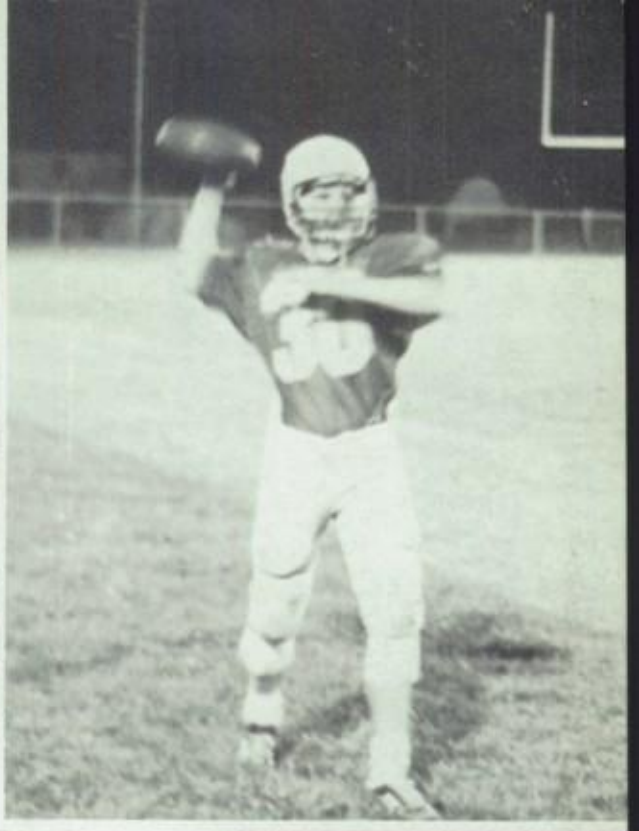


To N.H.S.

Dear Narrows High,
we pledge to thee,

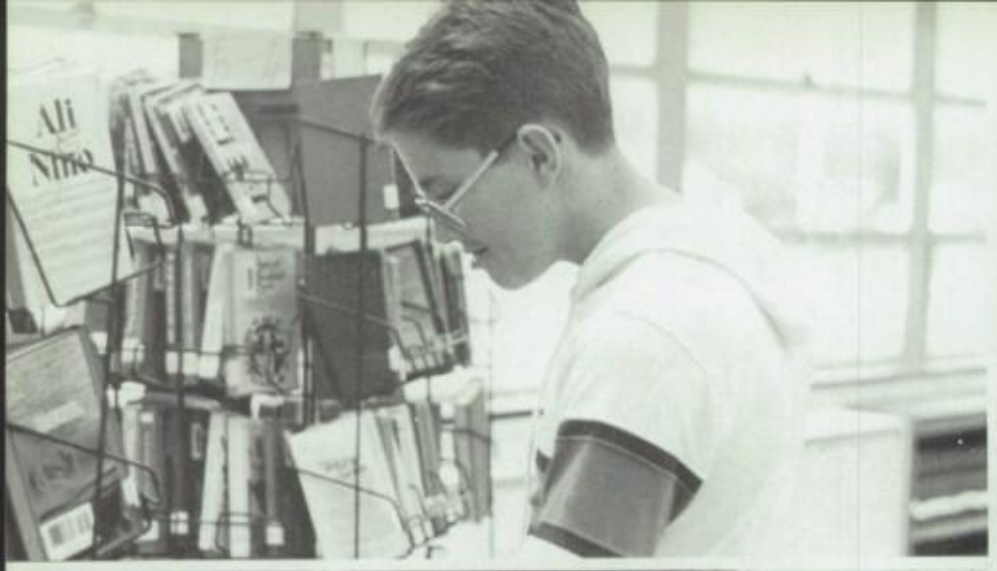
Our never-dying loyalty;

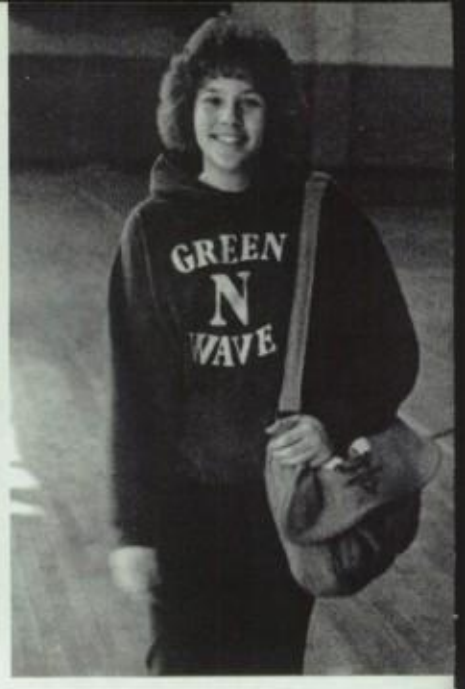




You give us love,
you give us care,

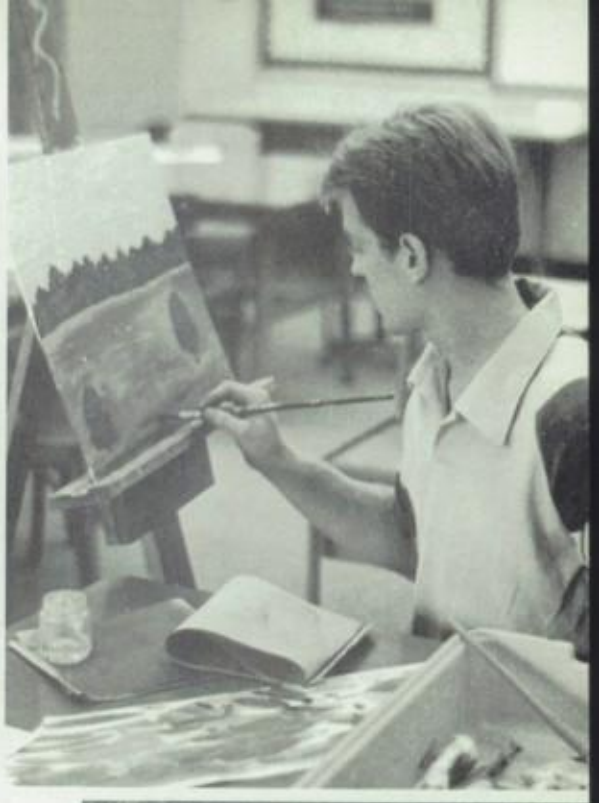
When we have
many things to bear;





You are our guide,
our warmth, our stay,

Our keeper on a
rainy day;



When we're happy,
when we're sad,

You're always there
and we are glad;

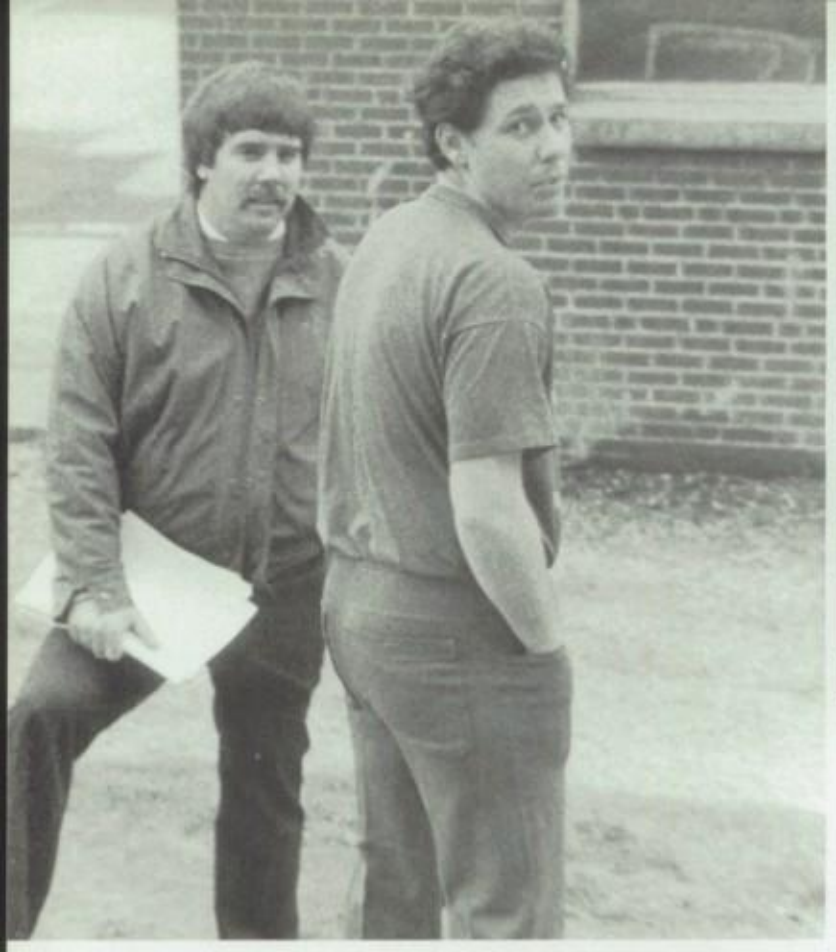
We leave you now,
with heavy heart,

We say to you as
we depart,

"Don't ever lose your
winning ways,

We'll ne'er forget these
precious days."

A Day at N.H.S.



If you don't mind, we're trying to make some plans.

I wonder what those girls are cooking up.

I'll bet if we work it right, we can outrun the boys.

I slipped!

Oh! Was that paper supposed to be in by yesterday?

That stupid bell had to ring right during the best part of my dream.

Who's that behind you?

And Patrick Swayze thinks he can dance!

Just get in line and we'll lead the way.

I would appreciate it if you didn't do that during class.

CLASS OF '88

Our best years went by so very fast,
Each golden memory warms my heart as I look at the past,
We have been together all of these years;
Now we look out ahead through the blinding tears.
It's almost over, it's all come to an end,
It's time to move on and make new friends.
We've had our experiences, some good and bad, some right and wrong;
It never made us weak inside, it only made us strong.
We've shared so much together and grew with each heartbeat;
It's time for the working world, and the future we'll soon meet.
It's hard to say good-bye to the ones we loved so well;
Maybe we'll meet again, only time will tell.
It'll be a struggle to make a brand new start;
Just hold on to the good times as we begin to part.
The hardest moment will be looking at one another in our caps and gowns;
All the thoughts will be tied as one, as we remember our ups and downs.
We loved our faculty, our school, and our times at "Ragsdale Field";
We'll always remember it in our minds, and keep it locked and sealed;
Even though we're going our separate ways, don't let the memories part;
We'll all be together again, and we'll stay together at heart.
Though we're leaving each other, hold your chin up, don't cry;
In our soul we know the class of '88 will never die!!

Serving You and Your Family Since 1932

Caring For All Of You!

Osteopathic physicians, each year care for over 30 million Americans — adults and children, singles and marrieds, babies and senior citizens. They counsel adolescents, care for cancer victims, deliver newborns and repair broken bones.

Each patient is unique and each is cared for, not simply treated.

DOs listen. They touch. They prescribe medication when needed and perform surgery when necessary. And they can use osteopathic therapy to help you heal yourself.

DOs care about all of you.
